## How Will My Donation Be Used?

Your donation will supplement the tuition of a child at St. Dominic Savio Academy (SDSA) in need of financial aid. Students receiving from the scholarship fund are selected by APESF and SDSA based on qualifying financial need.

# Frequently Asked Questions

## Arizona Individual Tuition Tax Credit

### What is it?

The Arizona Individual Tuition Tax Credit is a tuition credit program, established in 1997, that allows Arizonans to redirect their tax dollars to help children have a choice in education. You can donate your state taxes to benefit children who are currently enrolled in a private school that qualifies for a scholarship from this credit.

### What is Arizona Private Education Scholarship Fund?

Arizona Private Education Scholarship Fund (APESF) is a DOR-certified Corporate School Tuition Organization. Its purpose is to assist children in receiving an Arizona tuition scholarship to attend the private school of their choice. Scholarships are given from the contributions of AZ taxpayers who use the tuition tax credit program. To donate directly online, visit <https://apesf.org/donors/>

### Do I qualify?

All Arizona taxpayers qualify for a tax credit up to \$1,459 for single/ married filing separately taxpayers or \$2,910 for married couples filing jointly. You do not need to have a child enrolled in a school to receive the credit. You can give to multiple tax credits (public school, working poor, other private school) and still get the credit as long as it does not exceed your tax liability.

### How much can I contribute?

2024 maximum annual donation for Original tax credit is \$731 (single/ married filing separately) or \$1,459 (married filing jointly). 2024 maximum annual donation for PLUS/Switcher tax credit is \$728 (single/ married filing separately) or \$1,451 (married filing jointly). **Total credits for both equal \$1,459 (single/ married filing separately) or \$2,910 (married filing jointly).** Donor must maximize the Original tax credit before donated funds qualify for PLUS tax credit.

### What if I owe the state a remaining balance?

Your Tax Credit contribution will provide you with a dollar-for-dollar credit on your state taxes. For example, if you have a remaining state tax liability of \$1,800, since you contributed a \$555 2024 Tax Credit, you immediately reduce that figure to \$1,245.

### What if the state owes me a refund?

Your state refund will be increased by the dollar-for-dollar amount of your Tax Credit contribution. For example, if you are due a refund from the state of \$200, since you contributed a \$555 2024 Tax Credit, you immediately increase that figure to \$755. **(Note: this is true if you have not exceeded your tax liability. Speak to your tax advisor to check.)**

### Can my family, friends, and coworkers make a contribution to SDSA through TOPs for Kids?

Yes! As long as they pay taxes to the state of Arizona, they can take full advantage of the Tax Credit program. There is no need to have a child at the school.

### Are there any restrictions?

Yes. You could have a state tax liability of less than the Original and PLUS tax credit amounts if you have a very low taxable income (for example, if you are a retiree). Also, with the other tax credits available (for example, public school or working poor) you might end up going beyond your tax liability. **If in doubt, check with a tax advisor.**
